Yes, Nashua Christian Academy is authorized to process I-20 visas for all students who complete the application process and are awarded admission into the school.

#### **When is payment due?**

The application fee is due when the application is sent to the school. The payment of fees, tuition, and housing is due in full upon entry to the school. The student will not be permitted to start school or continue in housing unless the payment is provided in full upon entry.

#### **What month of the calendar year do students begin their study?**

#### **Do you arrange host families for students?**

Yes, we arrange housing for our international students. Typically the students stay with families who are part of our church, Grace Fellowship Church. There is a modest fee which compensates the host family for room and board costs associated with hosting an international student. The host family is expected to provide three meals-a-day. This fee is based on a ten-month visit and does not include personal spending money or personal expenses.
